The American Institute is a third-party attorney rating organization that publishes an annual list of the Top 10 Attorneys in each state. Attorneys who are selected to the "10 Best" list must pass the Institute's rigorous selection process, which is based on client and/or peer nominations, thorough research, and our independent evaluation. American Institute's annual list was and is created to be used as a resource for clients during the attorney selection process.

One of the most significant aspects of the selection process involves attorneys' relationships and reputation among his or her clients.

As clients should be an attorney's top priority, American Institute places the utmost emphasis on selecting lawyers who have achieved significant success in their field without sacrificing the service and support they provide. Selection criteria therefore focus on attorneys who demonstrate the highest standards of Client Satisfaction.

We congratulate Mr. Loren Gold on this achievement!

We would ask that you publish this recognition as appropriate.
